Draw or place your image on one of the pendant orientations of your choice. The grey lines represent the front face, bevel and outside edge of the pendant. This is your image area. Anything outside this area will not print but will help production if you choose to create artwork that extends past the face/bevel/outside edge.

If you want to name/sign/date your artwork it can be added to the back that matches your design's orientation as you see fit. Information on the back needs to remain within the dotted line perimeter. The Blend Creations "b" and Metal for Monster brand will be present on the final piece as shown.

Final size: 25mm x 19mm (approx. 1" x .75")

Please keep in mind that at the final size some details may be too fine to resolve. Our process cannot represent color or greyscale -- it must be either black or white.

A mock-up of your art on a pendant will be shown in the art submission gallery.

We reserve the right to reject artwork that we deem offensive or inappropriate. Corporate logos and artwork protected by copyright and not produced by you will also be rejected.

All artwork remains the property of the artist -- we will not sell, distribute or reproduce the artwork except for viewing on the gallery pages and for production as a pendant for the winning artist and the randomly chosen voter of the most popular art submission. If you submit artwork for this open call, you, as the artist, have the option to purchase a Make Your Own pendant with your art, but we will not sell your art on a pendant without your express permission.

All submissions will be posted in galleries on the Blend Creations / Metal for Monsters and Celebrate Green websites. From March 18-April 7, anyone can vote for their favorite submission. (Be sure to invite your friends to vote too!) The artist who has submitted the most popular work of art will receive their own Make Your Own pendant with their art on it. We will also randomly choose one of the voters to receive a pendant with the same art. Winners will be announced on April 8.
